2011 HOLIDAY CATALOG

TIS THE SEASON... TO ORDER YOUR HOLIDAY TOPIARIES!

Thanksgiving and Christmas are fast approaching so we at Schubert Nursery want to take this opportunity to wish you, your families, your staff and co-workers all the best.

Right now our greenhouses are filled to the point of bursting with our wonderful and unique topiaries. In fact, our Production Team has been handcrafting topiaries since the day after Christmas last year to ensure that we have great availability this season! Looking especially fantastic this year are our Ivy Cones, Single, Double and Triple Ivy Ball on Stem and our collection of Lemon Cypress Topiaries.

As you are looking through the catalog, please make sure you consider some of our exciting **NEW** Topiary shapes. Some of our recent additions are:
6 1/2" Ivy Ball and Cone (Item #189G),
4 1/4" Ivy Teardrop (Item #294G),
6 1/2" Ivy Teardrop (Item #295G) and
4 1/4" Angel Vine Teardrop (Item #421).

Last Christmas we introduced Item #393G, **Mossed Ivy Reindeer** to overwhelming popularity. This year, for those who like larger animal shapes, we have created Item #392G, **Large Ivy Reindeer**...just like his smaller cousin but with a little more stage presence.

Contact us now by phone, email or fax before we sell out of the topiaries you just have to have. Once again, Happy Holidays from all of us at Schubert Nursery.
